

SUMMER PROGRAMME 2026

Penwith 
Photographic Group

CONTACTING and VISITING PPG

During the winter season we can be found at St Piran's Hall in Goldsithney, near Penzance. This venue is warm, has level access, disabled toilets and plenty of parking. Our summer season you will find us out and about on location, mainly around West Cornwall.

St Piran's Hall (SPH)

South Road, Goldsithney, Penzance, Cornwall TR20 9LF

If you would like any more information about joining then please come along to one of our meetings or get in touch by email or messaging us on Facebook.

E&OE

Summer Issue 2026: v1

A BRIEF INTRODUCTION to the current PPG

Over recent years we have grown into what is classed as a medium club with around 40 members. Although we have seen this growth, we have remained a friendly and democratic group of photographers, who welcome anyone with an interest in photography to come and join us. Our aim is to encourage and advance photography at all levels from beginners to advanced, via lectures, demonstrations, competitions, exhibitions, field trips and interaction of club members themselves.

Our meetings are held on Thursday evenings at 7:30pm (unless otherwise stated), but **unlike most clubs we meet throughout the year**. While others only meet during the winter months, we at PPG hold a full summer programme of events, which runs from May to August and is completely outside at various locations around west Cornwall, and occasionally, a little further afield. Then September to April we meet indoors for our winter season. In addition to our Thursday programme we also hold up to a dozen or so Coddiwomples (day trips) at weekends, these vary from events around Cornwall to a day's wildlife shoot or a day out on Dartmoor, for example.

MEMBERSHIP

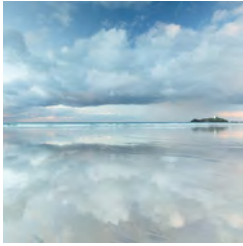

We have an annual membership fee of £35 but your first year is only £25, non-members are always welcome to attend the occasional meeting at our guest rate (max 3), either to see if they might like to join or simply because they are interested in a particular event.

There is no charge for taking part in our summer programme but we charge £4 to members and £4 for guests attending our indoor meetings. This helps to cover the costs of hiring the hall, fees for our guest speakers and judges, along with the general running of the club. Light refreshments are available during the break at our winter season events.

So what do you get for your membership fee?

- 18 field trips (normally)
- up to 12 additional day trips
- 32 indoor meetings
 - 10+ speaker evenings
 - 6 club competition evenings
 - 7 Practicals and Workshops
- Entry in our competitions
- Access to our closed Facebook groups
- Access to WCPF and CPA events
- New friends with a common interest
- and much more

As a member, not only will you benefit from the lower admission fee, but you will have access to our closed groups on Facebook, 'PPG Members' for help, advice, chat and banter at any time, and 'The Facebook Monthly Challenge'. Plus access to WCPF & CPA competitions and events.

SUMMER PROGRAMME

Our summer programme is very informal. If you haven't been out with us before but would like to come on one of our field trips, then just come along, there is no charge and no commitment to join. We always finish the evening with a warm down, a social chat, sometimes in a pub and sometimes in a car park with camping chairs and a drink of your choice.

Penwith's BIG 5 are regulars in the programme, and so they should. You'd want them in your club's programme if you had them on your doorstep!

Every summer we visit several locations with nature in mind, West Pentire for the Poppies and Upton Towans to photograph the Silver Studded Blue butterflies, are two of them.

Our heritage is always included in the summer programme with trips to Levant, Geevor, Wheal Coates, South Wheal Frances and Wheal Prosper, to name a few.

Naturally our coastline plays a large part in our programme, with its cliffs, coves and beaches, well they are on our doorstep.

Finally we plan the programme to include several Coddiwomples, full moons, sunsets and sunrises, the Milky Way, fireworks and occasionally we allow fog and rain to gatecrash. From time to time we may need to make changes, so always check our website.

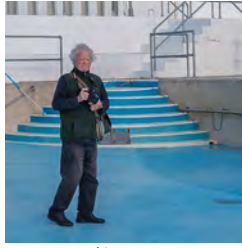

We use the 'what3words' app because it is more exact for location directions.

Penwith's BIG 5

- *Land's End*
- *St Michael's Mount*
- *The Crowns at Botallack*
- *The Brisons at Porth Nanven*
- *Godrevy*

How did you hear about PPG?	
-----------------------------	--

As a member of PPG, we hope you find our events intuitive and enjoyable. Although none of our events are compulsory, we encourage you as a member to take part as much as possible, pushing your boundaries and improving your knowledge, skills and confidence.

What brand is your main camera and lenses	
dSLR, Mirrorless or something else?	
Software. Photoshop, Lightroom or something else?	
Adobe CC (monthly subscription)	Yes / No
Do you own a drone	Yes / No
What do you like to shoot? Landscape, Wildlife/Nature, Sport, Portraits.....	

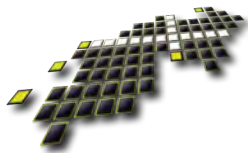

I understand that images I submit in the competitions, review and selection evenings, Coddiwomples and the PPG Facebook groups are stored by PPG and may be used for promotion purposes in the future, this might be in digital format on the website or social media pages, or printed on business cards, posters or adverts, and can be either a full image or a part of an image. I also understand this 'unlimited royalty free use' does not effect my copyright as the photographer.

I understand that PPG will not sell my images without prior permission, and that PPG holds the occasional exhibition, at which members have the chance to sell their prints, if they wish.

I have received a copy of PPG's General Data Protection Policy	Yes / No
I have received a copy of PPG's Generic Risk Assessment for events	Yes / No
I have received a copy of PPG's Constitution	Yes / No

The annual membership fee from 2026-27 (May to April) is £25 for the first year and £35 from the second year, and the cost of attending Thursday meetings in the clubhouse or online (if available) is £4 (except for the AGM, which is free). Events held on other evenings are normally free to attend. Our summer programme and Coddiwomples are also free, unless the location has admission fee or car park charges. Any Thursday online events between September and April Inclusive, will have an event fee of £4.

Penwith Photographic Group

CLUB DATA PROTECTION POLICY

Penwith Photographic Group ('The PPG') has the aim of promoting and encouraging photography in Penwith and surrounding area. Activities in support of this include but are not limited to, photographic talks, competitions both in club and externally, informal meetings, networking, putting on exhibitions and other displays of members' work including on the PPG's website (<http://www.thePPG.org.uk>).

Membership is open to anyone who has an interest in photography and wishes to pursue that in a friendly and inclusive social group taking part in a variety of activities.

In the context of data protection, the club is a data controller within the UK.

The personal information referred to in this policy may include name, contact details, records of entries to competitions and other events, members' names on photographs and digital photo files, and such other information necessary for the effective management of the legitimate interests of the Club in supporting activities to benefit members and others.

The Club collects and holds personal information about:-

Members

This information is used to facilitate administration of the Club, to communicate with members about photographic activities and events, and to provide and advise about products and services for members.

The information is recorded by the Club Secretary and circulated only to the Club's Committee ('officials').

When members' photographs are selected to represent the Club in external competitions, the members' names will also be forwarded to the competition's organisers for them to manage the event.

Prospective members enquiring about membership of the Club.

This information is only disclosed by the prospective member when contacting the Club. It may be shared amongst the committee to enable them to welcome the prospective to the Club more effectively.

Others who support the Club in the provision of services to members at meetings or elsewhere, including but not limited to speakers and competition judges. This information is used to arrange and confirm services, and may be retained for follow-up contact purposes.

Others who pro-actively contact the Club with offers of new or old products and services for members.

This information may be used to inform members if appropriate, and may be retained for follow-up contact purposes.

Other groups and individuals in the external community whom the Club's members may help from time to time.

This information is used to deal with enquiries and arrange activities including, but not limited to, sharing photographic knowledge, joint events and activities, photographic events, and it may be retained for follow-up contact requirements.

The Club may retain historical archives including, but not limited to, records of meeting, names of officials, competition winners, exhibitions and other event results. This may include remaining on the club's website and social media where they may be used for information and research by Club members and the public.

The Club does not collect personal data about users of our website.

Nothing in the foregoing approaches prevent members from sharing their personal contact details with each other and working, learning and socialising with each other in alignment with the Club's wish to be a friendly and inclusive social group of people with an interest in photography.

You have the right to:-

Apply to the Secretary to verify the information held by the Club about you.

Ask that the Penwith Photographic Group corrects any personal data if it is found to be inaccurate or out of date.

Ask that your personal data is erased where you believe it is no longer necessary for the Penwith Photographic Group to retain such data, if you remain a member and ask for some or all of your personal contact information to be deleted, it may make normal Club communications with you harder, although you still have that right.

The PPG may use any images submitted by members/ex members for promotion purposes in print or digital formats at any time in the future, but not in competitions without the member/ex member's permission.

Lodge a complaint with the Information Commissioners Office (<https://ico.org.uk/>).
